**NOTIFICATION OF CHANGE OF SMALL ENTITY STATUS AND
CORRECTION OF FEES PAID UNDER 37 C.F.R. 1.28**

The above-identified patent application ("the Application") was properly filed and prosecuted as a small entity under 37 C.F.R. 1.27. The Application was initially entitled to small entity status since the assignee, Expanse Networks, Inc., was a small business concern under 37 C.F.R. 1.27(a)(2). On August 18, 2004, all rights in the Application were assigned to Prime Research Alliance E., Inc. Applicants erroneously believed that Prime Research Alliance E., Inc., was also a small business concern as defined by 37 C.F.R. 1.27(a)(2), and therefore believed that the Application was still entitled to small entity status. Applicants have recently learned that Prime Research Alliance E., Inc. may not satisfy all the criteria for a small business concern. Accordingly, the Application may no longer qualify for small entity status.

Applicants have diligently gathered data related to the fees paid as a small entity from August 18, 2004 to present. In accordance with 37 C.F.R. 1.28(c)(2), the following

In accordance with 37 C.F.R. 1.28(d), Applicants respectfully request that the above-identified application be changed to large entity status.
